AMENDMENT UNDER 37 C.F.R. § 114

Sir:

In response to the Office Action dated October 9, 2002, please amend the above-identified application as follows:

In the Claims:

Cancel claims 13-25 without prejudice. Add claims 26-38 as follows:

26. A floor covering made of an elastically deformable material, comprising an upper side; an underside; first projections regularly arranged on the upper side; second projections regularly arranged on the underside for supporting the floor covering on a floor, the first and second projections having no overlapping regions in a plane of the floor covering; and third
